To Whom It May Concern:

MLC Construction completed renovation work over the last few years on the following projects:

Whistler's Green, Naples, Florida  
Whistler's Cove, Naples, Florida  
Rotunda Lake Apts., Rotunda, Florida  
Sawyer Estates, St. Cloud, Florida

The renovation work was completed with the highest quality and in a timely manner. I would not hesitate to use MLC Construction again on future projects.

MLC Construction would be a good team member for any new or reconstruction multi-family project.
